

Goldilocks & the Three Bears

Once upon a time, there was a little girl named Goldilocks. She went for a walk in the forest. Pretty soon, she came upon a house inhabited by a family of bears. She knocked, and when no one answered, she walked right in. Sitting down, she tasted three bowls of porridge at various temperatures and then settled on the one that was just right. She very happily ate it all up. Unfortunately, Mama Bear,

a very busy single mom, had prepared the porridge without washing her hands after changing baby bear's diaper. Goldilocks started having stomach cramps after eating the porridge and ran to the bathroom, which is where the bear family found her sitting when they returned home.
